

Support the South End: **DONATE A BRICK** *Make a lasting impression, too!*

WHAT: South End Brick Fundraiser

WHEN: Through April 14, 2008 or whenever we sell out, whichever comes first

WHO: Open to any and all South Enders, their families, and friends

WHY: Support the South End; get a nice tax deduction to boot

HOW MUCH: \$250 per brick, tax-deductible

Most South Enders have their names inscribed on the bricks, but they can also commemorate, thank or celebrate someone else, and they can be dedicated or gifted to someone. They make great **Birthday, Anniversary, Holiday and Valentine** gifts. Ideas for names to inscribe on your brick:

- Your own name, family name or company name
- A child's name, a loved one's name, a friend's name
- In memory of someone

TO ORDER YOUR BRICK

You MUST follow the following steps carefully or your order will not be processed.

1. Complete this form (next page) IN ITS ENTIRETY, legibly and in UPPER CASE. If incomplete or illegible, it will not be processed.
2. Make out a CHECK FOR THE FULL AMOUNT of your order to **SAN FRANCISCO PARKS TRUST with "South End Bricks" in the memo.** *Your order will not be tax-deductible otherwise.*
3. Mail this completed form WITH YOUR CHECK to:
South End Rowing Club
c/o Bricks 2008
500 Jefferson Street
San Francisco, CA 94109
4. CONFIRM your order by responding to the e-mail or letter you receive from the South End after we process your order. If you do not confirm your order within 10 days, your order cannot be processed.

IMPORTANT NOTES THAT MAY AFFECT YOUR ORDER:

1. We will accept the first 70 *fully completed* orders that *include payment*. Once we reach 70 orders, the brick program will be closed for the year.
2. All bricks will be inscribed at the same time, after we receive the final order.
3. After we receive the bricks from the brick company, we will place them in one of the red brick squares on the South End patio just outside the cook shack.
4. We cannot guarantee where your brick(s) will be placed, and buying more than one brick does not guarantee they will be placed next to each other; for example:
 - a. If you buy one brick for you and one for your spouse, we can't guarantee they will go next to each other
 - b. We also are not able to accept orders for multiple bricks that need to be placed in a consecutive order to allow a message on them to make sense
5. We are not able to accept cash, or credit cards for brick purchases.
